Custom Joinery Meets the Height of Design Luxury

by HARRINGTON KITCHENS

"Every project we approach is an opportunity to blend masterful craftsmanship, visionary design, and the distinct preferences of our clients. This Callala Beach kitchen allowed us to bring the clients vision of a timeless, elegant, and functional space to life. Every element was carefully considered, resulting in a kitchen and butler's pantry that beautifully balance sophistication with everyday practicality."

Cakes must be made in 20cm x 20cm baking tin
The following recipe is compulsory for all entrants

INGREDIENTS:

250g sultanas	250g plain flour
250g chopped raisins	60g self-raising flour
250g currants	¼ teaspoon grated nutmeg
125g chopped mixed peel	½ teaspoon ground ginger

Sift together the flours and spices Cream together the butter and sugar with the essences. Add the eggs one at a time, beating well after each addition, then alternately add the fruit and flour mixtures. Mix thoroughly. The mixture should be stiff enough to support a wooden spoon.
